Ignasi Casanovas Plana

Front End Developer

Summary

Hello! I'm Ignasi Casanovas Plana, an aspiring frontend developer with a strong passion for creating web applications. My immediate goal is to secure a junior front-end position, where I can contribute my skills in HTML, CSS, JavaScript, React, Vite, Node.js, and Jest.

In the long term, I aspire to become a full-stack developer, expanding my knowledge beyond the frontend technologies. I am committed to continuous learning, keeping up with the latest industry trends, and acquiring additional skills to contribute effectively to all aspects of web development.
